

MADEIRA

In the 1600's-1700's, wine was often fortified to survive long voyages at sea. While afloat, casks of Madeira were naturally heated. Producers then developed techniques to mimic this process. The result is Madeira as we know it today; one of the most unique and interesting wines in history. George Washington, Betsy Ross & Thomas Jefferson are among America's most celebrated lovers of Madeira. In their honor we have curated a collection of rare Madeira dating back over 100 years and available by the ounce. We encourage you to try one of our recommended flights or take a custom journey with our Sommelier. Enjoy!
